Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: applicant called regarding 112 first paragraph rejection by previous examiner. Applicant faxed in draft Declaration for consideration of 112 first issues. However, current examiner noted that the claims do not present a problem, as the plug could be deformable but still less deformable than the substrate, and the claims do not require the plug on top of the impact surface. However, after reviewing the case, examiner researched the application and found art reading on at least some claims, and gave applicant choice of responding to present office action or having examiner withdraw action and mail new non-final action with art rejections. Applicant requested new non-final..
